

# Payment Processing Solutions

Your single source for reliable & secure payment processing.

## Payment Solutions From a Trusted Partner

Your business is unique, and so are its challenges. In today's competitive marketplace, you must balance good customer service with efficient cash management and risk control. You're in good company with Elavon; we support more than one million business merchants worldwide.

You can't afford to limit customer payment options. Elavon's end-to-end processing network enables multi-currency and cross-border capabilities while creating operational and financial efficiencies for your business.

### Credit and debit card payments

Our payment processing solutions help you improve cash flow, minimise your collections risk, and better serve your customers – whether in-store or online – all while meeting stringent security standards to protect cardholder data, including Chip & PIN technology.

Elavon provides authorisation, settlement, funding, and support, giving you one point of contact for all your Visa® - MasterCard® - and JCB- branded credit and debit card transactions.

### Multi-currency processing

With Elavon, you can accept and settle card transactions in a variety of leading currencies. We offer local currency processing to the cardholder and settle in the currency you choose to facilitate funding. From U.S. Dollars, to Euros, Norwegian Krone or Sterling and more, Elavon makes it simple for you to accommodate your international customers.

## Choose Elavon Today
