

# Secure Payment Processing

As a leader in secure payment processing, we understand the needs and requirements of national chains, franchises and independent businesses. Our expertise in terminal, mobile and eCommerce payment processing solutions has helped many businesses optimize their payment processes.

**Support For All Types of Credit and Debit Payments.** Full support for your Visa®, Mastercard®, American Express®, Discover® Network, JCB, UnionPay and Diner's Club International® card transactions.

**Serving Up Convenience.** Give your guests payment choices – mobile POS, at the table or at the counter as well as Contactless (i.e. Apple Pay®).

**Security Made Easy With Simplify™.** Don't spend time worrying about a card data breach. Simplify is a semi-integrated solution that isolates sensitive payment related information away from the point-of-sale.

**Improve Cash Flow.** Opting for Elavon's Fast Track Funding, our Same Day ACH solution, means we can fund you within 24 hours of your batch submission.\*

**Reporting Solutions at Your Fingertips.** Analyzing and optimizing your electronic payments can be a snap with our online reporting tools.

**LET'S TALK:**

## WHY US?

- Process over **3 billion** transactions annually for more than a million customers worldwide.
- Over **\$300 billion** worth of commerce processed annually.
- **One source** for payment processing from front-end authorizations to back-end settlement and support.
- Average transaction processing time is 10 milliseconds, with a **99.9% uptime**.
- One single, **award winning** international processing platform spanning multiple geographies and channels.
- Consistently ranked among the top 5 global payment providers as reported by the Nilson Report.
