

“I update our inventory several times a week — sometimes even several times a day. Without NCR Silver, this would be an arduous if not impossible task that would take valuable time out of my already busy day. Instead of being tied down to the store, I now have the freedom to take my iPad with me and update on the go.”

– *Barbara Densley, The Creative Wedge co-owner*

## SILVER DOESN'T STOP AFTER THE SALE

From the boutique shop around the corner to the specialty retailer next door, running a store is about far more than taking transactions. NCR Silver can quickly and securely handle these transactions – at the counter or on the floor. But it's when the transaction is over that this mobile point-of-sale system really shines.

But it's when the transaction is over that this mobile point-of-sale system really shines.

Know what's hot with detailed sales tracking in the store or at your home. Handle your finances with integrated QuickBooks™ software. Manage payroll and much more!

## SILVER POS FEATURES FOR RETAIL STORES

There are plenty of simple ways to take transactions at your retail store. But NCR Silver's powerful and easy-to-use back office program can help you manage your entire shop, even when you aren't there in person.

- Easily keep inventory up to date — from anywhere you can use an iPad
- Automate sales tracking from an easy-to-use cloud-based back office
- Easily track employee hours
- Engage customers with built-in email features, including receipts
